Dear Massachusetts Lobstermen's Association,

It is a privilege for me to join your family, friends, and colleagues in commending you for all your hard work in supporting the interdependence of species conservation and your member's collective interests.

The commitment you have shown to your community through your efforts to educate fishermen on the many challenges they face, as well as conserving lobsters in our Commonwealth has not gone unnoticed.

Again, thank you for all your work and I wish you the best of luck in your future endeavors.

Sincerely,

A handwritten signature in black ink that reads "Scott P. Brown". The signature is fluid and cursive, with a long horizontal stroke at the end.
